Search for Raoul Wallenberg

Dear Mr Grunberg,

Your e-mail and telephone call of 22nd January 2008 as well as copies of your previous correspondence with the Interpol General Secretariat in Lyon refers.

You have requested an Interpol Yellow Notice to be issued concerning the search for Mr Raoul Wallenberg.

In order to confirm your request the Swedish Police have been in contact with the sister of Raoul Wallenberg, Nina Lagergren. She has explained that the Russians are responsible for the disappearance of Raoul Wallenberg. Her opinion is that this matter is handled on governmental level and therefore it is not appropriate to make it a police matter.

Due to this information Interpol Stockholm is not in a position to request the issuance of a yellow notice.

Yours sincerely,

Christer Wurnell
